GO BEYOND CONVENTIONAL TV, GO SMART

With the Samsung Smart Led TV, "Smart" is only the beginning. Navigate effortlessly to find your favourite shows, movies, sports and games. See it all with greater picture clarity including a wider spectrum of colours with Wide Colour Enhancer and great motion clarity of Motion Rate 120. Enter a new world of entertainment with the Samsung J6200.

SMART ENTERTAINMENT

- Re-engineered user interface allows for improved ease of use
- Sharing between mobile and TV got easier with the new Samsung Smart TV. You can watch TV content on mobile device and switch from mobile viewing to TV with just one click*
- Smart TV technology is powered by Tizen, an open-source platform that supports the web standard for TV app development

MOTION RATE 120

- View every detail of action packed movies and sports with Motion Rate (MR) 120, an excellent level of motion clarity.
- The Samsung MR uses advanced image processor speed and proprietary backlight technology to display fast action detail.

CONNECTSHARE™ MOVIE

- Plug your favorite entertainment and media into your TV – watch videos, play music, or view photos through a USB connection.
